

# ORIENTATION TO-DO LIST | FRESHMEN

The two days you'll spend with us during **sessions 1-8** this summer will be packed - with people to meet, things to do, and new systems and territories to learn about. It feels like a lot to take in, so to simplify things for you, we've set up an orientation checklist. Before you leave, make sure you've done everything on your to-do list.

*Note: The numbers associated with the locations in the list match the numbers on the campus map.*

- Attend all scheduled sessions. You'll get to choose from a number of optional events, but these are the "musts."
  - Enjoy lunch at the Liberty Street Fresh Food Company (#104) on either Day 1 or Day 2 - your choice!
  - By law your student financial records may not be shared with anyone without your written consent.** So, if anyone other than you (your parents or an employer, for example) need to view your account and make payments on your behalf, you will have to set each one up as an authorized user in the Ebill system. For instructions, check out the tutorials at [treasurer.cofc.edu/ebill](http://treasurer.cofc.edu/ebill).
  - Drop off an up-to-date immunization record and completed health form (found on-line at: [studenthealth.cofc.edu/health-immunization-forms/](http://studenthealth.cofc.edu/health-immunization-forms/)) at Student Health Services (#15).
  - DAY 1:** Meet with an academic advisor in your assigned area.
- DAY 1:** Go to Cougar Card Services (#6), have your picture taken for your student ID card (Cougar Card) and pick up your card.
  - DAY 1:** You must provide proof of lawful presence in the U.S. before you can enroll at the College. If you didn't submit a FAFSA, please complete the "verification of lawful presence in the U.S. form" and deliver the original, along with a photocopy of your proof document, in person at - or mail it to - the Office of the Registrar (#5).
  - DAY 1:** Model rooms are open **between 2:00 and 7:00 p.m.** Please refer to your orientation schedule for open residence halls.
  - DAY 1:** Read and sign the Honor Code.
  - If you have advising homework, do it after you have finished all your Day 1 activities. You must complete the assignments in order to register for classes.
- DAY 2:** Model rooms are open **between noon and 5:00 p.m.** Please refer to your orientation schedule for open residence halls.
  - DAY 2:** Check out student groups at the info fair behind the library (#13).
  - DAY 2:** Register for your courses. You'll then leave for home with a completed schedule for the fall semester.
  - If you are interested in keeping fit during the school year, you should head over to the George Street Fitness Center (#32). The fitness center is open from 7:00 a.m. - 6:00 p.m. throughout the summer.
  - Stop by the Center for Student Learning (#13) and learn about the academic support services they offer.
  - Go to the bookstore (#5). Get familiar with the process of reserving your textbooks on site. Or, if you prefer, do it online at [cofc.bncollege.com](http://cofc.bncollege.com).
  - Learn three facts about the College.
  - Make one new friend!
  - Have fun!

If you have any questions regarding your checklist, please locate one of the orientation interns for help.
