

ORIENTATION TO-DO LIST | TRANSFERS

The two days you'll spend with us during **sessions 1-8** this summer will be packed - with people to meet, things to do, and new systems and territories to learn about. It feels like a lot to take in, so to simplify things for you, we've set up an orientation checklist. Before you leave, make sure you've done everything on your to-do list.

Note: The numbers associated with the locations in the list match the numbers on the campus map.

- Attend all scheduled sessions. You'll get to choose from among a number of optional events, but these are the "musts."
- Enjoy lunch at the Liberty Street Fresh Food Company (#104) on either Day 1 or Day 2 - your choice!
- By law your student financial records may not be shared with anyone without your written consent.** So, if anyone else (your parents or an employer, for example) needs to view your account and make payments on your behalf, you will have to set each one up as an authorized user in the Ebill system. For instructions, check out the tutorials at treasurer.cofc.edu/ebill.
- You must provide proof of lawful presence in the U.S. before you can enroll at the College. If you didn't submit a FAFSA, please complete the "verification of lawful presence in the U.S. form" and deliver the original, along with a photocopy of your proof document, in person at - or mail it to - the Office of the Registrar (#5).
- Meet with an academic advisor from your assigned area.
- If you have questions about your transcript evaluation, check DegreeWorks or go to the registrar's office (#5).
- Drop off an up-to-date immunization record and completed health form (found on-line at: studenthealth.cofc.edu/health-immunization-forms/) at Student Health Services (#15).
- DAY 1:** Go to Cougar Card Services (#6), have your picture taken for your student ID card and pick up your Cougar Card.
- DAY 1:** Model rooms are open **between 2:00 and 7:00 p.m.** Please refer to your orientation schedule for open residence halls.
- DAY 1:** Read and sign the Honor Code.
- If you have advising homework, do it after you have finished all your Day 1 activities. You must complete the assignments in order to register for classes.
- DAY 2:** Check out student groups at the info fair behind the library (#13).
- DAY 2:** Model rooms are open **between noon and 5:00 p.m.** Please refer to your orientation schedule for open residence halls.
- Register for your courses and you'll leave for home with a completed schedule for the fall semester.
- If you are interested in keeping fit during the school year, go to the George Street Fitness Center (#32). Summer hours: 7:00 a.m. - 6:00 p.m.
- Stop by the Center for Student Learning (#13) and learn about the academic support services they offer.
- Go to the bookstore (#5). Learn how to reserve your textbooks on site. Or, if you prefer, do it online at cofc.bncollege.com.
- Have fun!

If you have any questions regarding your checklist, please locate one of the orientation interns for help.
