Academic Majors Meeting with Faculty Representatives— Various locations on campus
The academic major meetings are an opportunity for students, decided and undecided, to meet representatives from various colleges and departments to learn about majors at College of Charleston - their courses, their structure and their sequencing. There is also an opportunity for undecided students to learn about resources available to help them select a major. Students will receive information that is vital to their advising and registration for fall classes. Students will be led to the session of their choice by the orientation interns, so it is important to be on the Cistern at 2:10pm. This session is for students only.

Advising & Course Registration— Various locations on campus
Students will meet with academic advisors to review the general education requirements, learn how to use the course registration section of MyCharleston and review Degree Works. Students should plan to allot one and a half hours for course registration. The student’s registration time CANNOT BE CHANGED. This session is for students only.
