UAS works closely with faculty, staff, students, and parents to uphold and enforce academic standards and policies as outlined in the Undergraduate Catalog. This office is committed to providing information and guidance related to academic policies and procedures as well as referrals to the appropriate academic support offices.

What does UAS do?

The Office of Undergraduate Academic Services handles matters related to the academic well-being of all undergraduate students at the College of Charleston. If you have difficulty with classes or have other academic issues, please contact us and/or schedule an appointment (see “Contact UAS” below).

We can assist students with:
- Academic probation and other issues related to Academic Standards
- Petition for Withdrawal After the Official Withdrawal Deadline ("late course withdrawal")
- Leave of Absence and Complete Withdrawal requests
- Other problems that are affecting your academic success.

ACADEMIC STANDARDS: What students need to know: ALL Grades Count

Students enrolled at the College of Charleston must earn a minimum cumulative grade point average (GPA) to avoid being placed on academic probation. These minimum GPA requirements are on a sliding scale based upon the total number of credit hours earned ("earned hours") by the student:

<table>
<thead>
<tr>
<th>Earned Hours</th>
<th>Minimum Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-19</td>
<td>1.50**</td>
</tr>
<tr>
<td>20-59</td>
<td>1.80**</td>
</tr>
<tr>
<td>60 or more</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*Earned Hours includes coursework taken anywhere for which you have received credit (transfer hours, dual-enrollment, AP, etc.)*

*GPA is calculated only from grades earned in courses taken here at the College of Charleston*

If a student's cumulative GPA at the end of any semester is less than minimum requirement as listed above, the student is placed on academic probation and will be notified of their probation status with an official email to their CofC email account. If you ever find yourself on academic probation, don’t wait! Contact UAS immediately to set up an appointment (see “Contact UAS” below). We want to help you get back on track, and the sooner you come in for assistance, the more we can do to help you.

If you EVER find yourself in any type of academic difficulty, please come see us immediately. We can provide advice and connections to other campus resources!
