GETTING INVOLVED

• HEALTH, FITNESS, FUN

The Campus Recreation Services program provides facilities and a variety of activities that contribute to the overall health and wellbeing of the College community.

- Intramural sports – competitive activities in a number of individual and team sports
- Sport clubs – club programs for individuals with a common sport interest
- George Street Fitness Center – a 15,000-square-foot activity center, stocked with the latest cardio equipment and an impressive line of free-weight, resistance-training equipment and weight machines
