- Carefully read all information about move-in including driving directions and specific move in times for each floor.

The Residence Hall Association (RHA) is a group of residents who serve to improve the overall atmosphere of the Residence Halls.

One of the main goals of this organization is to enhance the community within the halls to provide a comfortable and fun environment for residents to enjoy.

The Residence Hall Association is a way for residents to get involved in the cultivation of their communities. If you participated in student government in high school, this a great opportunity for you.
